

Less than perfect credit?

Need a car loan?

Need a payment you can afford?

"People Helping People Car Loans"

... Imagine a place that will sit down with you and listen to you and the reasons why your credit score may not be the best. Imagine a place that cares about you and your family and wants to help. That place is your credit union.

We have money to lend out to people just like you who may be struggling in this economy but still work hard and need cars. Owning an automobile today is not a luxury, it is a necessity. And, unfortunately, the car you purchase at a "Buy here, pay here lot" is usually not road worthy and certainly not worth what you pay for it.

Fill out the application on the bottom of this page and **bring it in to the credit union.** Come in and sit down with Debbie, Tammy, or Paula and they will work with you to get you a **payment that you can afford.** And when you are preapproved for a loan you can walk onto a car lot knowing the financing is already secured and you can then confidently pick out your car.
